INDUCTION CEREMONY

WELCOME

On behalf of Wayland Boosters, welcome to the Inaugural Wayland High School Athletic Hall of Fame Induction ceremony. This idea was born well over a year ago, and with the help of some dedicated volunteers we are here tonight to honor 16 individuals whose place in Wayland athletic history is now secure. I would like to personally thank the committee who put this evening together: Chairman George Doran, members Connie Burgess, Colleen Cappellucci, Asa Foster, Susan Foster, Chris Jenny, Rick Smith of the Wayland Town Crier, former Wayland Athletic Director Rick Moyer, long time Wayland Coach Bill Snow, Athletic Director Martha Jamieson, and Athletic Trainer Chris Brown.

The Wayland Boosters is an all volunteer organization whose mission is to further the athletic experience at the High School by raising money to do such projects as new scoreboards at the High School, varsity jackets which number in the hundreds every year, and our current project which is spearheading an effort to place a synthetic turf field at the High School. Tonight's event is just another example of how Boosters is trying to again recognize and support the greatness of Wayland Athletics while doing it in a community setting.

Thanks go out to Sandy Burr for its generosity in allowing the use of its facility and to Nike for the corporation's generous donation in honor of inductee Alberto Salazar.

Enjoy the evening and thank you for your support.

Craig Foreman
President, Wayland Boosters

DICK MORRIS

1960 - FOOTBALL

A standout in football, basketball and baseball, Dick Morris graduated from Wayland High in 1960. The football Warriors never lost a game in Dick's four years as a running back/line-backer, compiling a 33-0-1 record. He led the state in scoring as a senior in 1959. He was a Wigwam All-American his senior year, also holds the distinction of scoring the first touchdown of the game against traditional rival Weston four years in a row.

In addition to his gridiron prowess, Dick was a guard on the basketball team and a third baseman/pitcher on the baseball team. Wayland won league championships in all three sports the four years he was in high school. In fact, the Warriors won their initial Eastern Mass Championship in baseball his senior year.

Rick also served as Wayland's Athletic Director for 10 years, went to high school in Oneida, N.Y., where he captained the football, wrestling, and baseball teams. He went undefeated on the mat his senior year and, not surprisingly, was voted the Outstanding Athlete of his graduating class.

Rick was the president of the Varsity Club and the recipient of the Sportsmanship Award while at Springfield College.

Rick and his wife Ingrid met at Springfield College. They have three daughters: Kristin, Wendy, and Julie, and three granddaughters, Abby, Bizzy and Fran. He would like to thank Coach Fariel, Coach Parker, Dr. Zimmerman, Dr. Hennessey, and Buzz Bowers.

She graduated from NYU with a degree in Communications and is currently an account manager in New York City for Ion Marketing, specializing in sports and entertainment marketing.

Melina enjoys spending time with friends, playing basketball, and traveling. She sometimes coaches youth basketball in New York City and participates in city-based charity running events. She is especially grateful for the support of her family and friends, especially *"my mom, dad, and brother for their constant love and support and for the sacrifice they made along the way for my benefit. Thanks to my coaches and teammates for helping me to become a better person, player, and friend. Thanks to John and Ruth Gove for all that they have been and continue to be for me - a constant support base."*

Basketball was the sport Tim O'Shea really excelled at, winning Dual County League MVP honors as both as junior and as a senior at Wayland High School. He also competed in spring track for two years.

Tim, a guard, earned *Parade Magazine* All-American as well as *Street and Smith Magazine* All-American honors as a senior during the 1979-80 season. The Wayland Warriors were DCL champions during his final two seasons and were state finalists his junior season.

BOB PECK

1973 - FOOTBALL

In the early 1970's when Wayland High churned out one successful football team after another, Bob Peck was a standout running back for the Warriors, earning first team All-American honors when his team was the undefeated Class C state champion in 1971.

How good was Wayland back then? Bob, who graduated in 1973, was on the losing end of only three football games during his entire career. During his junior year, the Warriors allowed only one touchdown all season and trailed ever so briefly just once. He also played guard on the basketball team, suffered a serious ankle injury during the football pre-season leading into his senior year, but kept playing. When his high school career was over, he had scored just shy of 90 touchdowns.

Bob went to UMass on a football scholarship. Despite an injury-plagued career, he played running back, returned kickoffs and punts and played some wide receiver for the Minutemen. Graduating from UMass in 1977, he went to graduate school at Springfield College, where he served as Adjunct Professor for a number of years. He also taught and coached at Barnstable High and Wilbraham-Monson School, where he led the basketball team to a 27-1 record and the New England Championship.

Bob and his wife Nancy are the parents of two daughters: Nicole (21) and Courtney (18).

For Bob, *"Just thinking about Wayland brings back so many great memories of coaches, family and friends."*

LAURIE RAYMOND

1974 - TENNIS

Laurie Raymond was a four-year standout in field hockey, basketball and tennis before graduating from Wayland High School in 1974. She was a captain or co-captain in all three sports. She was an important part of a basketball team that won the championship of the Eastern Massachusetts state basketball tournament in 1974.

Laurie went to Brown University and played five different varsity sports for the Bears; tennis (1 year), lacrosse (3 years), basketball (2 years), ice hockey (2 years) and soccer (4 years). She graduated from Brown in 1978 with a degree in geology/biology and earned a Master's in Nursing in 1998.

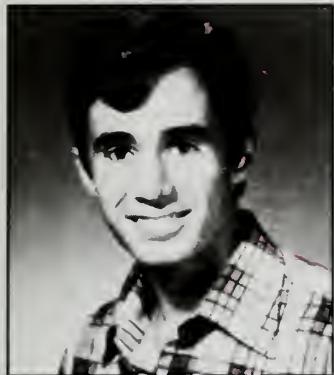

Laurie was employed at the Woods Hole Oceanographic Institute from 1979-1987. She also worked at a residential home for troubled boys from 1987-1995.

Raymond currently works at Cape Cod Eye/Nose/Throat as a nurse practitioner. She remains active and still plays in a women's hockey league. Laurie enjoys a community of close friends on Cape Cod, where she has lived for the past 27 years. She would like to credit her parents, the late Loring and Edythe Raymond, *"for their quiet and constant support of my enjoyment of athletics."*

ALBERTO SALAZAR

1976 - TRACK

Among the most elite runners in the history of Massachusetts high school cross country and track before graduating from Wayland High in 1976, Alberto Salazar went on to become a star of the highest magnitude at the national and international level.

Alberto still holds the Wayland school indoor record in the 1,000 (2:19), mile (4:19.2) and two mile (8:53.8), which he set at the Penn Relays high school meet. His state record in the two mile lasted over 25 years.

After finishing runner-up his junior year, Alberto won the state cross country championship as a Senior. As a 16-year-old Junior, he ran in the National AAU Championships in Knoxville, Tennessee and, despite being the youngest competitor in the field of 25, finished second to North Carolina State Freshman Ralph King in 14:11.8. That July 4th, Alberto went on to defeat teammate King and the Russians in the USA-USSR Junior Meet in Lincoln, Nebraska, capturing the 5,000 in 14:30.3, despite temperatures on the track estimated at 122 degrees.

Alberto also ran in the USA-USSR Junior Meet in the Soviet Union his Senior year of high school.

After a standout collegiate running career at the University of Oregon, he burst on the marathon scene with three consecutive New York Marathon wins (1980-82) and the famous "Duel in the Sun" victory over Dick Beardsley in the 1982 Boston Marathon.

Alberto was inducted into the Massachusetts Track Coaches Association Track Hall of Fame three years ago. He currently works for the Nike Corporation. He and his wife Molly are the parents of three children: Antonio, Alejandro and Maria.

RALPH SALVATI

FOOTBALL COACH

Ralph Salvati, who will be honored posthumously, came to Wayland High School in 1949 as a biology teacher, but quickly put a lasting imprint on several Warrior athletic teams, most notably football. His 1956 team became the first football squad in the history of the school to go undefeated. Amazingly, that Warrior team started a string of four straight undefeated seasons and a stretch of 44 consecutive victories.

Ralph also coached baseball at Wayland High. He was the school's first Athletic Director and oversaw an athletic program that grew from just six teams to 48.

He graduated from Boston College High School where he was a standout in football (fullback) and baseball (first base). He went on to Boston University where he played football as a fullback and linebacker.

Ralph was drafted by the Detroit Tigers in 1941, but a hand injury prevented him from joining the team. He later served in the Navy during WWII.

He was elected to the Massachusetts State Coaches Football Hall of Fame in 1970, the first year he was eligible. Ralph married Italia Caruso in 1942. She became his greatest supporter and was joined in that support by their three children: Linda, Pamela, and Stephen.

MARK SHEPARD

1973 - HOCKEY

Mark Shepard was a standout left wing for the Wayland High School hockey team before graduating in 1973. He scored 119 points in 50 career games. He was a Dual County League All-Star his sophomore, junior and senior year, the team's MVP as a senior and EMass All-Star as both a junior and senior. The Warriors defeated Acton-Boxboro in the EMass final in 1973, but lost in the state final to St. Joseph's of Pittsfield that year.

After a stint playing for Berwick Academy and the Portsmouth Vikings in Junior A hockey, Mark went on to Merrimack College where he played hockey and graduated in 1977 with a business degree. He played minor league hockey for the Green Bay Bobcats of the United States Hockey League in 1978 and was scheduled to go to camp with the Detroit Red Wings as a free agent. However, he was traded to the Waterloo Iowa team that was notorious for not paying its players. Mark eventually hung up his skates over the issue.

Following his playing career, Shepard coached various youth level teams including the Wayland Middle School hockey team. Mark is the current owner and operator of Shepard's Mobil. Mark has been married to his wife Suzanne for 26 years. He is the father of a daughter Cija and a son Shane. He has four grandchildren: Dillon (13), Joe (5), Ghianna (4), and Tony (2).

This past April, Shepard skated in the Over 50 Ice Hockey nationals in Tampa Bay, Florida, with the Darien (CT) Hornets.

He sends a special thanks to his father, to Coach Bill Morris, and to his hockey linemates Rick Irving and Mark O'Keefe, whom he credits for his high school athletic success. *"Without*

WILLIAM (BILL) SULLIVAN

1984 - SWIMMING

Bill Sullivan, who passed away in 2003 at the age of 38, was an outstanding four-year swimmer at Wayland High School before graduating in 1984. He was a state champion in the 50-yard and 100-yard freestyle and still holds the school record in the 50-, 100-, 200- and 500-yard freestyle.

Bill went on to Babson College, graduating in 1988. He captained the swimming team there, was named the squad's most valuable swimmer and held numerous school records at the time.

He was the Wellesley High School girls swimming coach for eight years, being named the Boston Globe Girls Swimming Coach of the Year in 1990.

Babson College established the William H. Sullivan III Memorial Award following his death. It is given annually to the Babson College swimmer who best exemplifies Sullivan's qualities.

Babson College honors Bill's memory each year with the awarding of the William H. Sullivan III '88 Memorial Award, given to a swimmer who exemplifies the many fine qualities Bill brought to Babson's program. His family would like to thank his Babson College swim coach, Rick Echlov, "from whom he inherited the state championship Wellesley High School girls' swim team. Rick encouraged Bill to become an outstanding swimmer and leader."

KEVIN THOMAS

1981 - SOCCER

Thomas was a three-sport star at Wayland High in soccer (forward/midfield), wrestling (134-pounder as senior) and baseball (catcher/left field) before graduating in 1981. He was a two-time captain in soccer and wrestling and a baseball captain as a senior. [continue] Kevin was a four-time Dual County League All-Star in soccer and wrestling as well as a two-time State Champion in wrestling. He was a member of the first Wayland High boys soccer team to win the DCL title and the first Warrior team to beat Lincoln-Sudbury in boys soccer.
